The sixth scientific-practical conference

INVITATION & PROGRAM

Tashkent - 2017

11 April

Dear

Sponsors

On behalf of Tashkent medical academy, We are pleased to invite you to participate on Sixth Annual International Scientific-Practical Conference "Topical Issues in Medicine" that is going to take place on 11th of April 2017 in the "International Hotel Tashkent" (Amir Temur Hall).

Scientific-practical conference of young scientists is going to be held for the sixth time and demonstrates increasing interest among youth. This year participants of meeting that is organized by Tashkent medical academy are young scientists from Medical Universities of Uzbekistan, furthermore from Kazakhstan, Azerbaijan and Germany as well. This fact lets us confirm proudly that conference has gained international status and attending in event becomes a significant stimulus for the future doctors and scientists.
