INFORMATIONAL LETTER

Dear colleagues!

TASHKENT MEDICAL ACADEMY invites masters of medical universities to participate in the I International Subject Olympiad "Evidence-based Medicine" which will be held on May 1, 2023 in Tashkent.

To the attention of the participants of the Olympiad:

Application deadline: April 25-30, 2023

Official languages: Uzbek, Russian, English.

Format of the event: online

Directions of the Olympiad: Evidence-based medicine

Olympiad rounds will begin at 10:30 a.m.: participants of the relevant disciplines will be sent a link to the Google Test platform;

Stage I - Testing will take place from 10:30 to 11:00 a.m., max score 100 points.

The 15 participants with the highest score on the test will be included in the 2nd stage and a link to Zoom will be provided.

Stage II - Solving a situational problem from 11:00 to 13:30 a.m. – it is necessary to verbally answer 2 questions of 1 situational problem and additional questions from the Jury members, max score 100 points.

The 10 participants, with the highest scores at the 2nd stage move on to the next stage.

Stage III "Blitz survey" - one minute is given to each participant to answer 10 questions, max score 100 points.

The prizes and nominations will be distributed according to the results of the points scored at all stages.
