

**MINISTRY OF HIGHER EDUCATION,  
SCIENCE AND INNOVATIONS  
OF THE REPUBLIC OF UZBEKISTAN**

**Navoi state pedagogical institute**  
**Talented youth is a guarantee of creating an intellectual,  
creative elite: issues of academic mobility and international cooperation**  
**International scientific and practical conference**

In order to ensure the implementation of the decision PQ-200 of July 4, 2023 of the President of the Republic of Uzbekistan "On measures to effectively organize state management in the field of higher education, science and innovation within the framework of administrative reforms" and in accordance with the Order of the Ministry of Higher Education, Science and Innovations of the Republic of Uzbekistan (18, 2024 No. 16), Conference will be held in April 26, 2024 at the Navoi State Pedagogical Institute.

**Directions to be discussed at the conference:**

1.	Talented youth participation in the integration of science, education and production: national and international experience	
2.	Perspectives of international and regional academic mobility in the higher education system	
3.	Actual issues of digitalization of various stages and directions of education and formation of human qualities in the young generation	
4.	Social processes in the modern world and harmony in the formation of intellectual youth elite	
5.	Issues of development of "Green economy" in the context of the actualization of the problem of ecology and climate change	
6.	Teaching foreign languages in the educational system is an important factor in realizing the creative and intellectual potential of young people	

**Requirements for the conference materials:**

The length of the article is up to 5 pages, 1.5 spacing (2 cm on four sides, paper format A4), Times New Roman, 14 size font.
