

REGISTRATION FORM
for the international scientific and practical
conference on the subject
"LIFE SCIENCES FOR THE
SUSTAINABLE FUTURE-2024"
(June 5, 2024, Tashkent)

Full name: _____

Organization (full and abbreviated name): _____

Position: _____

Degree and title: _____

Address for communication: _____

Mob.: _____

Email: _____

Title of abstract: _____

PARTICIPATION FORM

Plenary presentation

Section presentation

Poster presentation

Young scientist competition (age limit up to 30 years)

Date: _____

Signature: _____

Abstract are published in the "Abstracts Book". Selected abstracts will be published in the international scientific journal "Problems and Perspectives of Pharmaceutics and Drug Discovery" (ISSN:2181-1660)

REQUIREMENTS FOR THE
ABSTRACT

- 1. Abstracts are accepted only in English .**
- The size of the abstract is 1 full page in A4 format, **Times New Roman** In font size **12** , 3 cm from the left side, 1.5 cm from the right side, 2 cm from the top and bottom, and 1.0 line spacing is used in the text.
- The title of the abstract is capitalized. The author's full surname and first name are written in the next line. The full name of the organization, city, state and address (phone number, e-mail) must be indicated in the next line. The participant participating in the lecture is marked with a line under his last name.
- One file should contain only one abstract, the file name is named after the name of the first author (for example, **Botirov IM (Eng) .docx**) .
- In the text of the abstract, abbreviations should be fully explained at points where they are used for the first time.

Organizational committee reserves the right to include materials in the collection and magazine. Abstracts sent after the deadline, in violation of the requirements of the conference, will not be considered by the organizing committee and will not be returned to the owner! Text must be verified and error-free. The authors are responsible for the correctness of the data and the scientific content of the work.

Abstract acceptance deadline: until May 25, 2024 filling out the online form and it is accepted by **uploading the abstract in MS Word format (*.docx)** by:
<https://forms.gle/HodqTdovJeGv38VE7>

**INTERNATIONAL SCIENTIFIC-
PRACTICAL CONFERENCE**

on the theme

**LIFE SCIENCES FOR THE
SUSTAINABLE FUTURE-2024**

June 5, 2024
Tashkent

DEAR COLLEAGUES!

We cordially invite you to send your abstracts **to the international scientific and practical conference " LIFE SCIENCES FOR THE SUSTAINABLE FUTURE-2024 "** which will be held on **June 5, 2024 in the city of Tashkent** at the Tashkent Pharmaceutical Institute in cooperation with the Ministry of Higher Education, Science and Innovation of the Republic of Uzbekistan and the Ministry of Health of the Republic of Uzbekistan.

MAIN SCIENTIFIC DIRECTIONS OF THE CONFERENCE

1. Applied Biology and Genetic Engineering
2. Bioinformatics and mathematics are on the way to the development of natural sciences
3. Chemistry and biochemistry
4. Ecology and environmental protection
5. Food and health
6. Medical diagnostic problems

The conference program includes plenary (15-20 minutes), section (10 minutes) and poster presentations.

Conference languages : English (main), Uzbek and Russian

Abstracts are selected based on relevance to the conference topics, significant novelty, abstract submission deadline, and registration form.

The decision of the organizing committee on the acceptance of abstract and additional information are brought to the attention of the authors.

ISSUES TO BE DISCUSSED AT THE CONFERENCE

- Current problems and solutions in applied biology
- The role of mathematics and informatics in solving problems of life sciences
- The role of chemistry and biochemistry in sustainable development
- Problems of ecology and environmental protection, solutions
- Safe food and health
- Quick and accurate diagnosis as an important step in health recovery

The exchange of ideas of international experts at the conference will further improve scientific-practical cooperation in natural sciences, medicine and pharmaceutical education and interdisciplinary cooperation. It will be the basis for future scientific and practical cooperation. In addition, the topics discussed at the conference are directly related to ensuring a healthy lifestyle, ecology and health of the population, developing new knowledge that is the basis for the creation of high-quality and affordable medicines, preservation of the ecosystem, and quick and effective medical diagnosis.

Registered participants in our conference have the opportunity not only to publish their results as abstracts in the "Abstracts Book", but also to publish their contributions more widely. Selected materials may be reviewed by reviewers and published in the journal "Problems and Perspectives of Pharmaceutics and Drug Discovery" upon reviewers recommendation.

ABSTRACT TEMPLATE

Standardization and determination of shelf life of cold-pressed bitter almond oil
